## **The Year of Fozzy**

We are deeming 2013 the "Year of Fozzy" since Fozzy exemplifies what the OCSPCA is all about. In June of 2013, 9-year-old Fozzy was abandoned by his family. Fozzy has a slow growing, inoperable tumor at the base of his heart. Kimberly, his fabulous foster mom, says he's still a playful,

happy and active dog despite his terminal condition. Kimberly and her dogs, Tanner and Twix, welcomed Fozzy into their home and will care for and spoil him for the rest of his days. Thanks again to those of you who contributed to Fozzy's medical care and have given this sweet dog a chance to celebrate another day. The OCSPCA cannot thank Kimberly enough for fostering Fozzy. She has been a volunteer with our PAWS therapy dog program for 5 years.

She and her therapy dog, Twix, visit patients at several O.C. hospitals and facilities. The OCSPCA provides direct help to animals like Fozzy through our Animal Rescue Fund program. This is just one of many cases where your donations have made a tremendous difference. ARF provides help to sick, injured or unwanted animals, assists low-income pet owners with emergency veterinary care and provides subsidized spay/neuter assistance to the animals and residents of Orange County.

The mission of the OCSPCA is to foster the humane treatment of animals through:

- Education of the public
- Financial assistance (to relieve animal suffering)

- Promotion of the animal/human bond
- Cruelty intervention

Your aid has a significant impact on the animals and people in our community.

*During this season of giving, please consider contributing to the OCSPCA so that we can continue our mission in helping the animals in our community.*
